Web Development Certificate

EXPERIENCE

MAIN STREET DIGITAL

Established a web design agency for Main Street Digital. Introduced processes and procedures, implemented new technologies, set quality standards, and increased client satisfaction. By creating quality work, we addressed the local market meeting the demand for design

DIGITAL MEDIA ARTIST II

Creating HTML5 advertisements and Landing Pages for various clients and publications.

DIGITAL MEDIA ARTIST I

Developing various digital banner ads.

IOWA BEVERAGE SYSTEMS

Events, Marketing, and Advertising for various breweries.

WELLS FARGO

Reconciling home equity loans for early stage dept collections. Setting up initial payment plans, and outbound and inbound calls. Meeting quality and efficiency standards.

SYSTEMS UNLIMITED

In-home care for individuals with special needs. Duties included preparing meals, personal hygiene, transportation, community outings, and administering medications
