WEB DEVELOPER — 2019-Present
Ocozzio

Work closely with designers and project leaders to hand code websites using HTML/CSS/JS/PHP, making their designs come to life. Uses WordPress to create custom sites. Create emails using MJML.

GRAPHIC DESIGNER / MARKETING — 2017-2019
Ocozzio

Design printed materials, identity pieces, websites and emails while maintaining brand standards across design projects and other marketing communication materials.

WEB DESIGNER / FRONT END DEVELOPER — 2015-2017
Main Street Digital

Established a web design agency for Main Street Digital. Introduced processes and procedures, implemented new technologies, set quality standards, and increased client satisfaction. By creating quality work, we addressed the local market meeting the demand for design.

SR. DIGITAL MEDIA ARTIST — 2012-2015
Gannett

Created high quality animated and static ads and eventually move onto building animiated HTML5 advertisements and Landing Pages for various clients and publications.

GRAPHIC DESIGNER — 2010-2013
Iowa Beverage Systems

Events, Marketing, and Advertising for various breweries.
